Teenagers.
Even Parents!
A Super Birthday or Christmas Gift!

“I think Sliotar Hitters will be a huge success”
- **Brian Whelehan (Offaly Millennium Star)**

Sliotar Hitters is a fantastic new development for hurling coaches and also for use at home in the garden. From a coaches point of view **Sliotar Hitters** brings great variety and entertainment to training while at the same time improving the essential skills of the game.

With Sliotar Hitters a player can hit hundreds of balls in training. The beauty is that the ball is still in place for the next player. This means that coaches can concentrate on player's technique, instead of spending time chasing balls. For home use, no matter how small your garden is, your child can go out and improve his/her skill level and you don't need anyone to hit the ball back. Hurling is a fantastic game and at a time when a lot of emphasis is been placed promoting it. There is no better way to improve skill levels than using this equipment.

“**Sliotar Hitters** have been a phenomenal success at our summer camps” – John Leahy, Offaly Games Promotion and Development Officer.

Rope Basher

Ground Hurling without the ball going astray

Block Down
